VEGETATION FIRE CLOSES SR-60 IN MORENO VALLEY

Moreno Valley- Due to decreased visibility from smoke, State Route 60 has been closed between Theodore Street in Moreno Valley and the SR-60/I-10 Interchange in Beaumont. The closure affects both eastbound and westbound lanes of traffic. The duration of the closure is unknown at this time. Motorists are advised to use alternate routes and to follow detour signs.

Caltrans will update the closure information as it becomes available or visit our website at www.dot.ca.gov/dist8.

Exercise caution as you drive through this area and please, SLOW FOR THE CONE ZONE.
